Dear All:

This letter is to notify you, in accordance with the provisions of the Worker Adjustment and Retraining Notification Act, of a plant closing. There will be a permanent facility closing of the entire Montevista Hospital facility located at 5900 West Rochelle Ave., Las Vegas, Nevada 89103. May 15, 2020 is the earliest anticipated date employees would be separated from employment. At this point, we are not able to accurately predict a schedule for making separations of employment, but it is anticipated all employees will be separated by the end of May 2020.

There are no existing bumping rights applicable to this facility closing.

A list of job titles of the affected positions and the corresponding number of employees employed in each position are readily available from the facility by contacting the Company Official identified below.

For further information please contact Sarah Spinharney:
